HANDLING CUSTOMER REFUND REQUESTS

Refund decision matrix

Find the row that matches the refund request. Check all three conditions before taking the action shown.

ACTION	PURCHASE DATE	ORDER & ACCOUNT	REFUND AMOUNT
DENY	**More than 30 days**	Not required to determine the outcome	Does not affect the decision
REQUEST INFORMATION	Within 30 days	**Order number missing or invalid, or account not verified**	Does not affect the decision
APPROVE	Within 30 days	Valid order number and verified account	**$100 or less**
ESCALATE	Within 30 days	Valid order number and verified account	**More than $100**

KEY POLICY POINTS

The 30-day refund window has no exceptions.

A valid order number must follow the format NS-#####.

The product name is optional and is not required to determine the action.
